Sir,

I have received various complaints from members districts regarding selection process, and other very serious complaints. In public view both the selection committees are not functioning impartially and in transparent ways. Resentments in the District Associations are prevailing.

Under this circumstances I direct you to form a two men committee including you and with a member of COM and enquire the matter and report same within 24 hours for further action. In the meantime all selection process will be on hold. Please complete enquires within 24 hour to avoid effect on selection time.

Thanks and regards
